Dear Mr. & Mrs. Nwosu,

SCHOLARSHIP LETTER

I write to inform you of the decision of the **Parent Teacher Association (PTA)** of the College to award a **scholarship** to the students with the second-highest annual weighted average in each year.

Your son, Kamsiyochukwu, has won the scholarship for the 2024/2025 academic year, and is valued at **Five Hundred Thousand naira (N500,000.00)**. This implies that you will deduct this amount (N500,000.00) from the school fees for the 2025/2026 session.

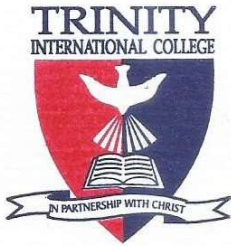

We hope that your child will work hard to maintain this academic status so that he can continue to enjoy the scholarship in subsequent years.

Congratulations!

Yours faithfully,

For: Trinity International College
